A touch of class reaches every aspect of Pasadena High. What is class? Class is that which exemplifies the spirit and pride at PHS. Over the years students at Pasadena have demonstrated the class they have. It is this class that has helped make Pasadena High the great school it is today. Also showing this spirit is the Class of '81, which has demonstrated a touch of class throughout their four years in school.

A Touch Of Class

Is . . .

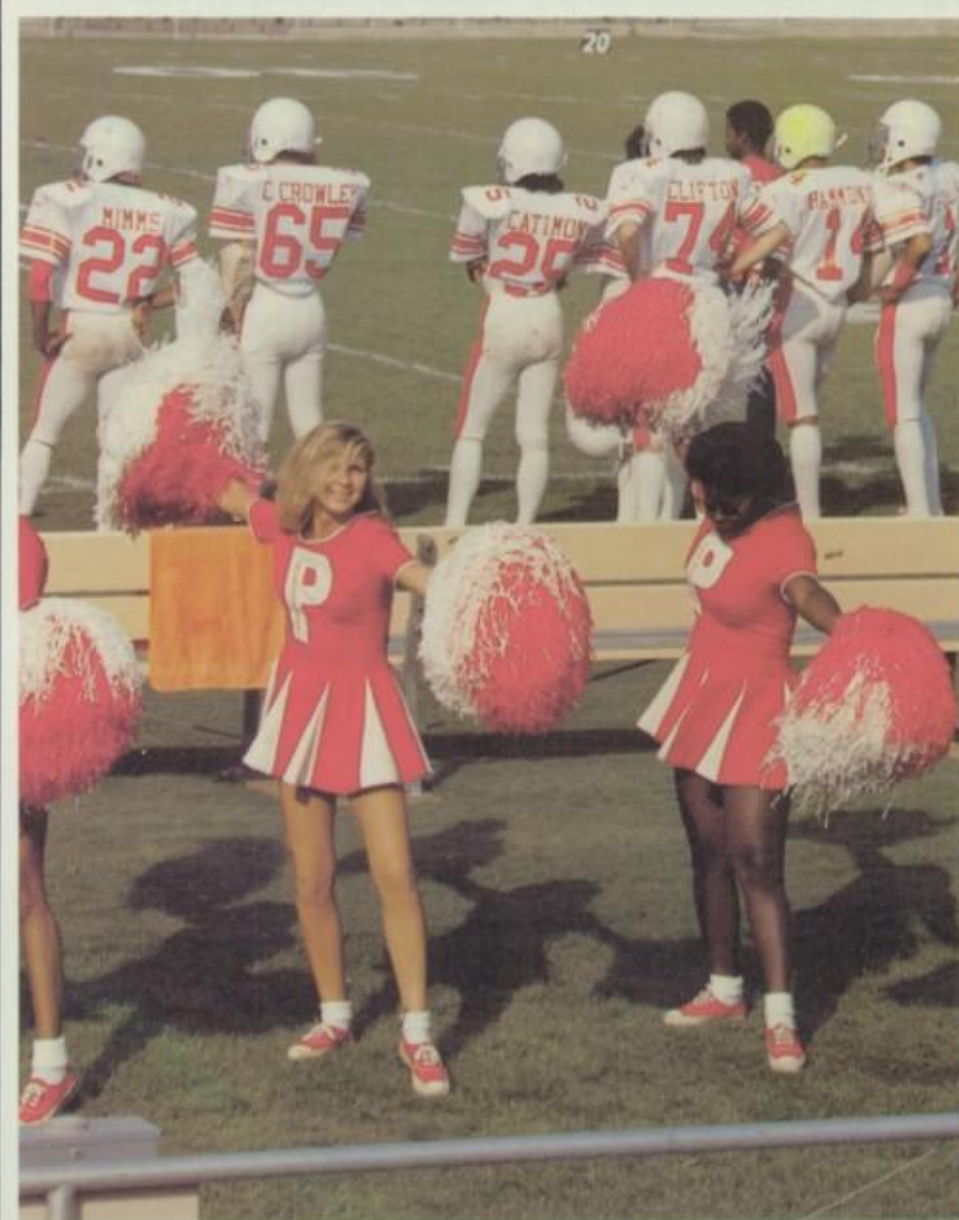

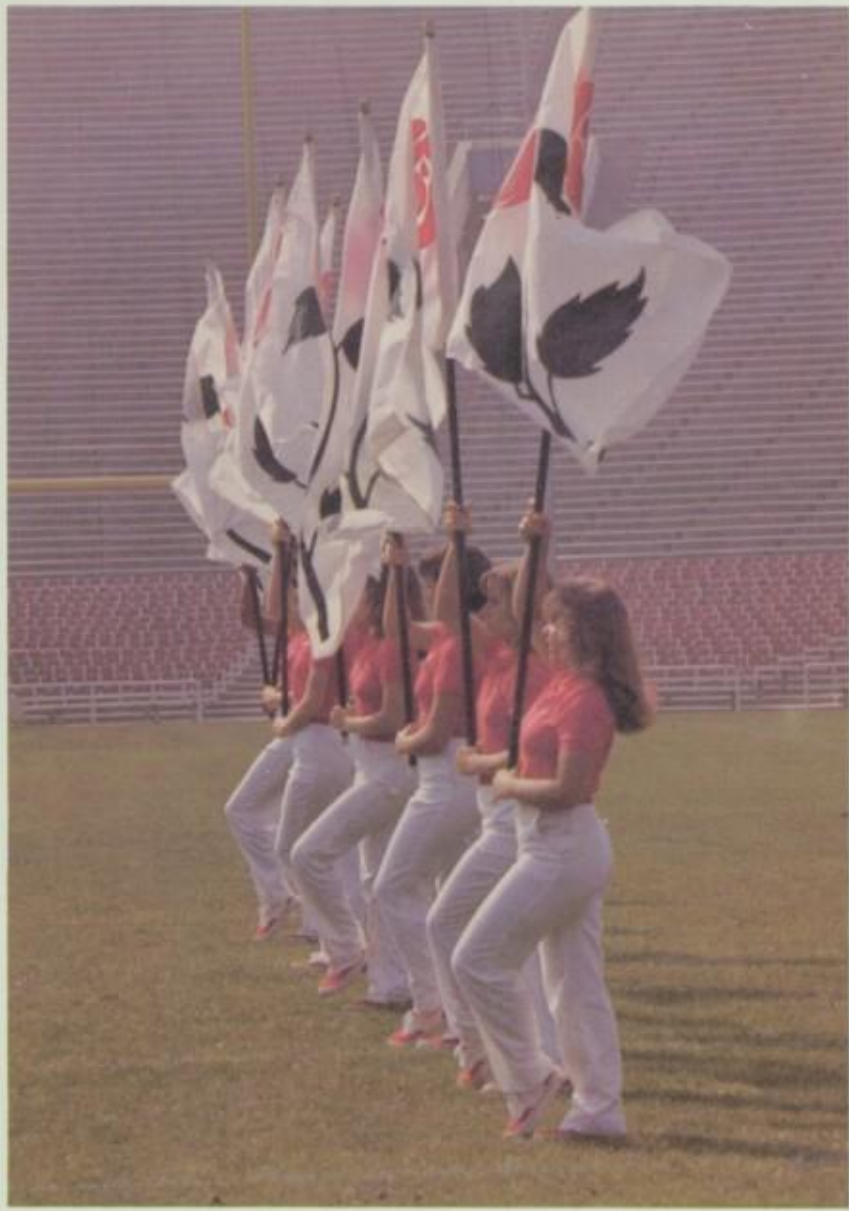

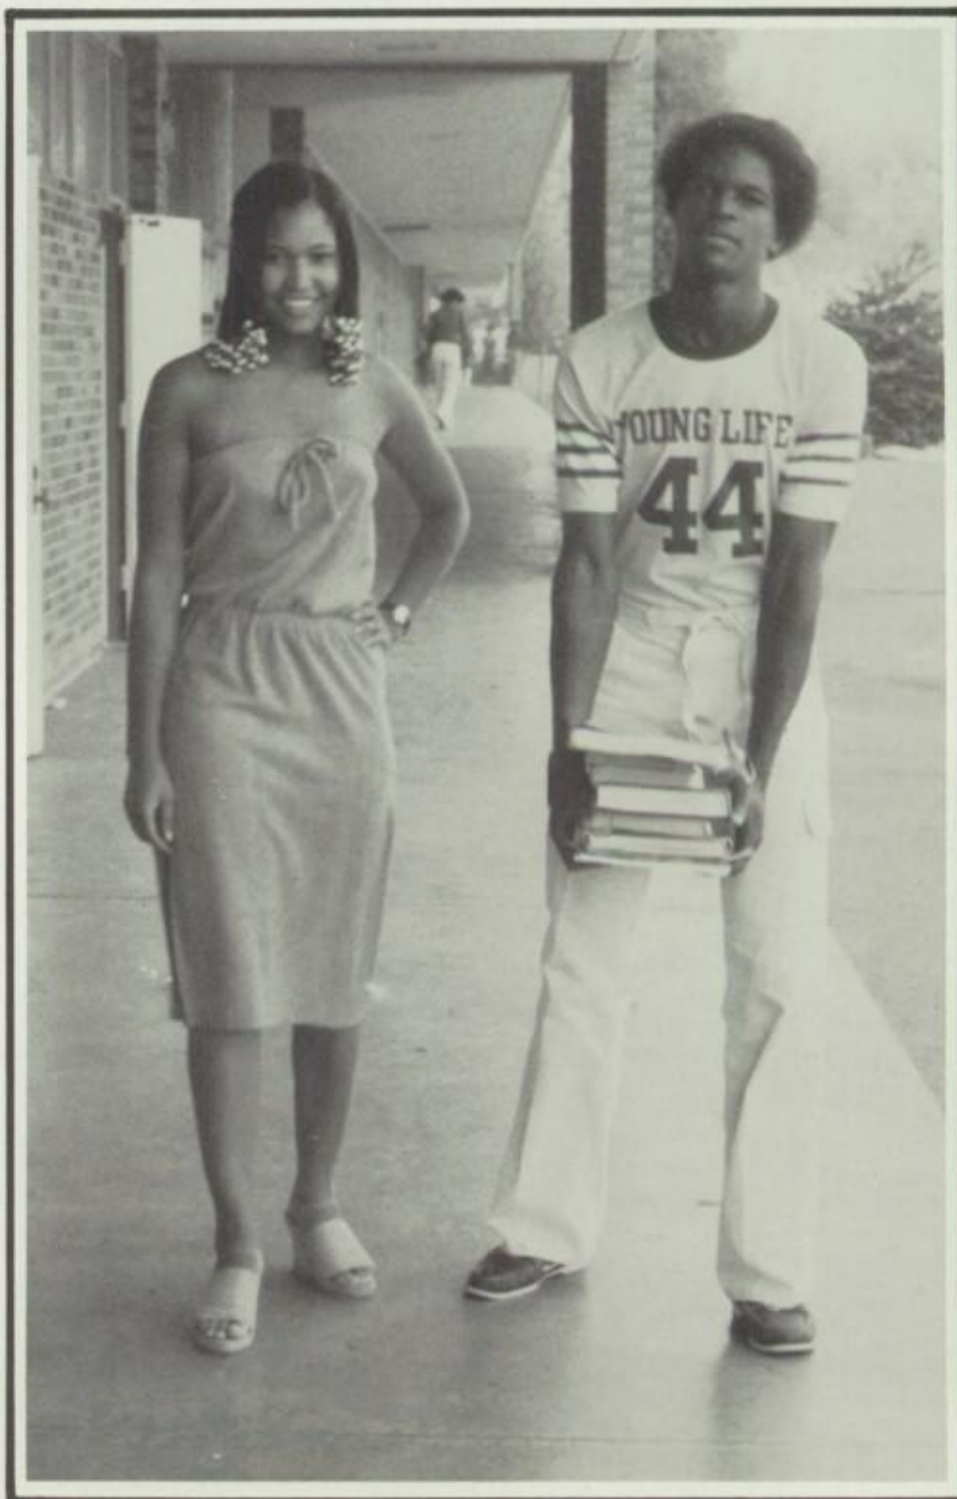

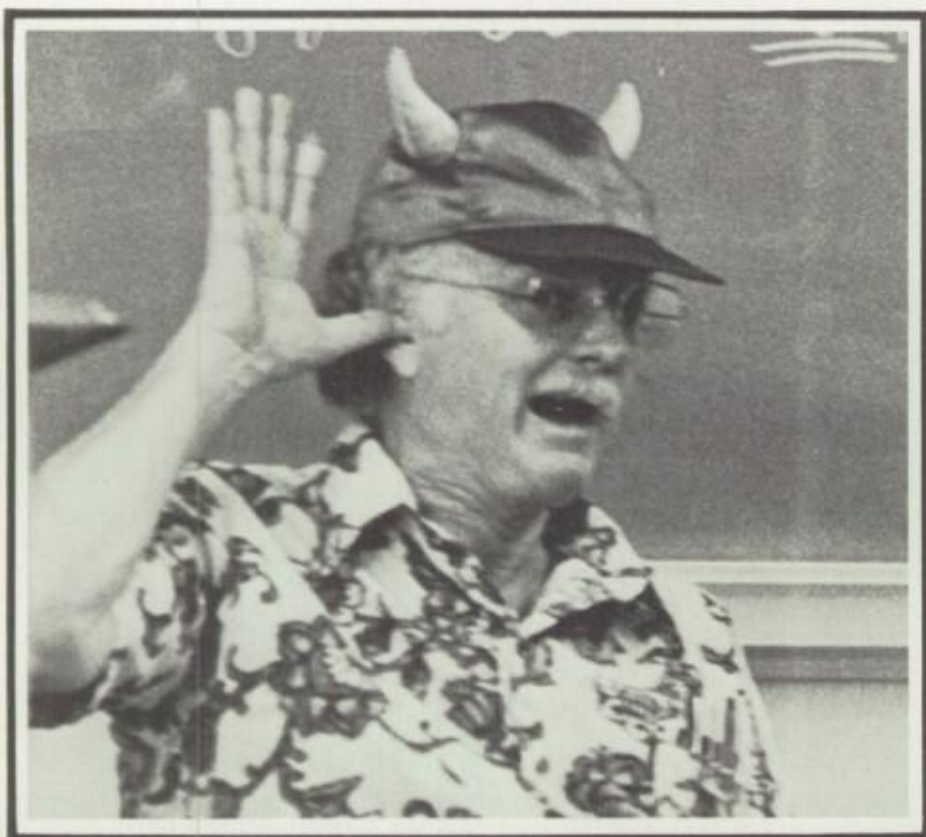

*Giving All

*Pride In

*Reaching Out

*Having Good

*Coming Together

*Sharing

In Tribute to His Dedication

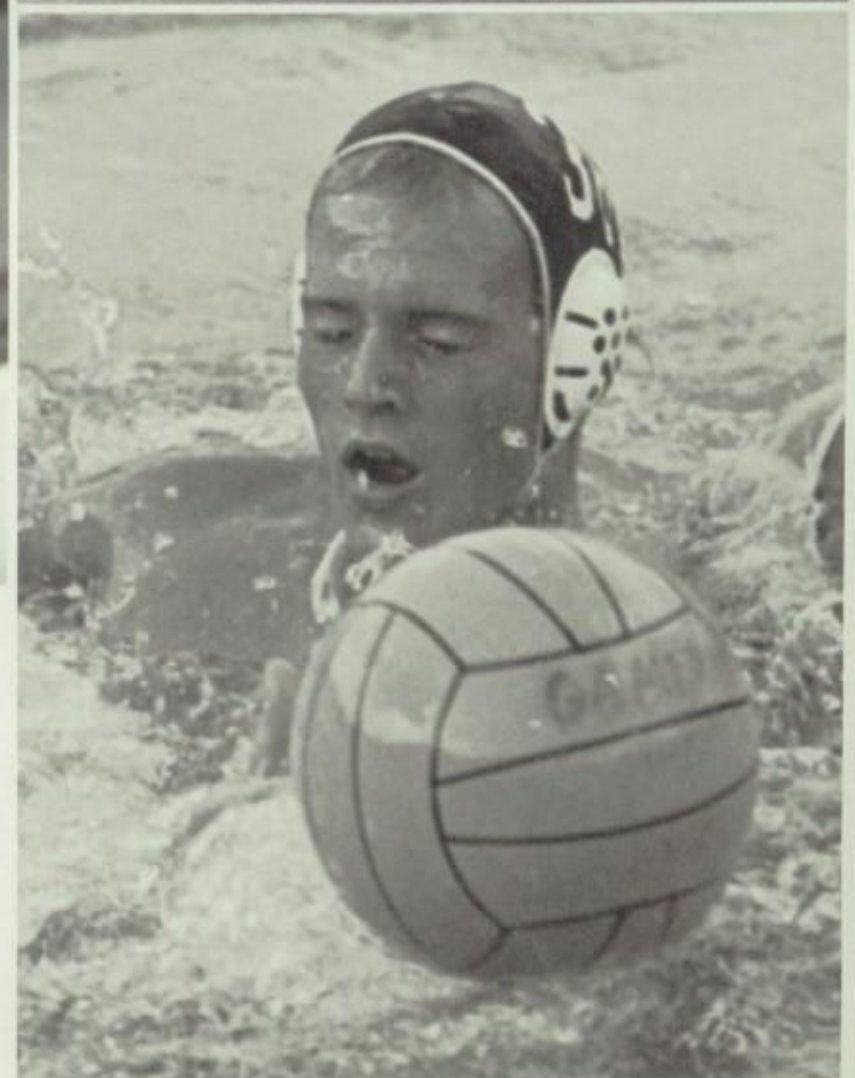

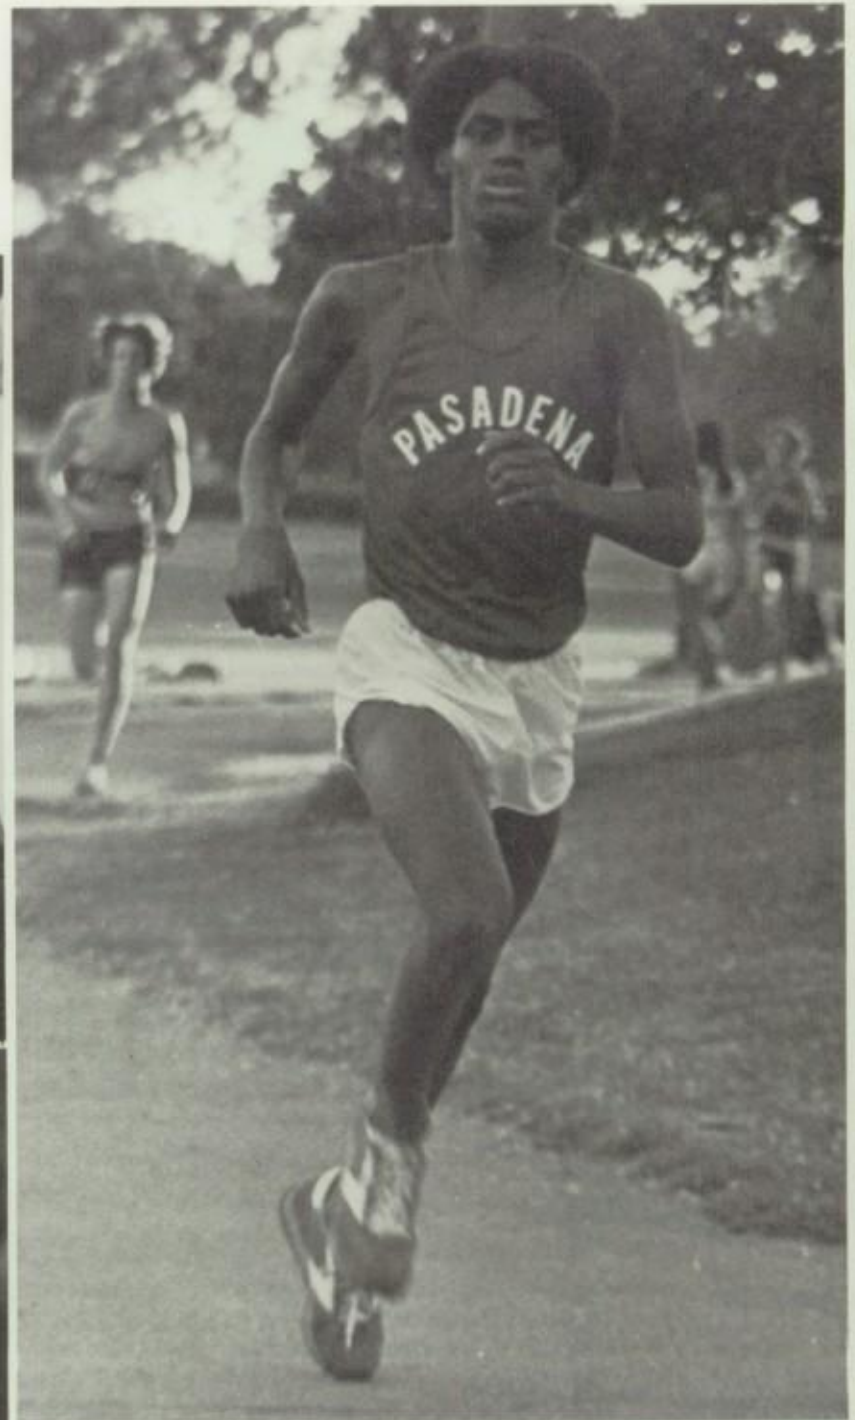

For the past 21 years Pasadena football fans have heard the same voice, that of head coach Tom Hamilton. Coach Hamilton is one of those unique individuals whom everybody loves. Whether it was 10 years ago or now, you could still find many girls on campus who say how cute and sweet he is and you could find many students who say they love him.

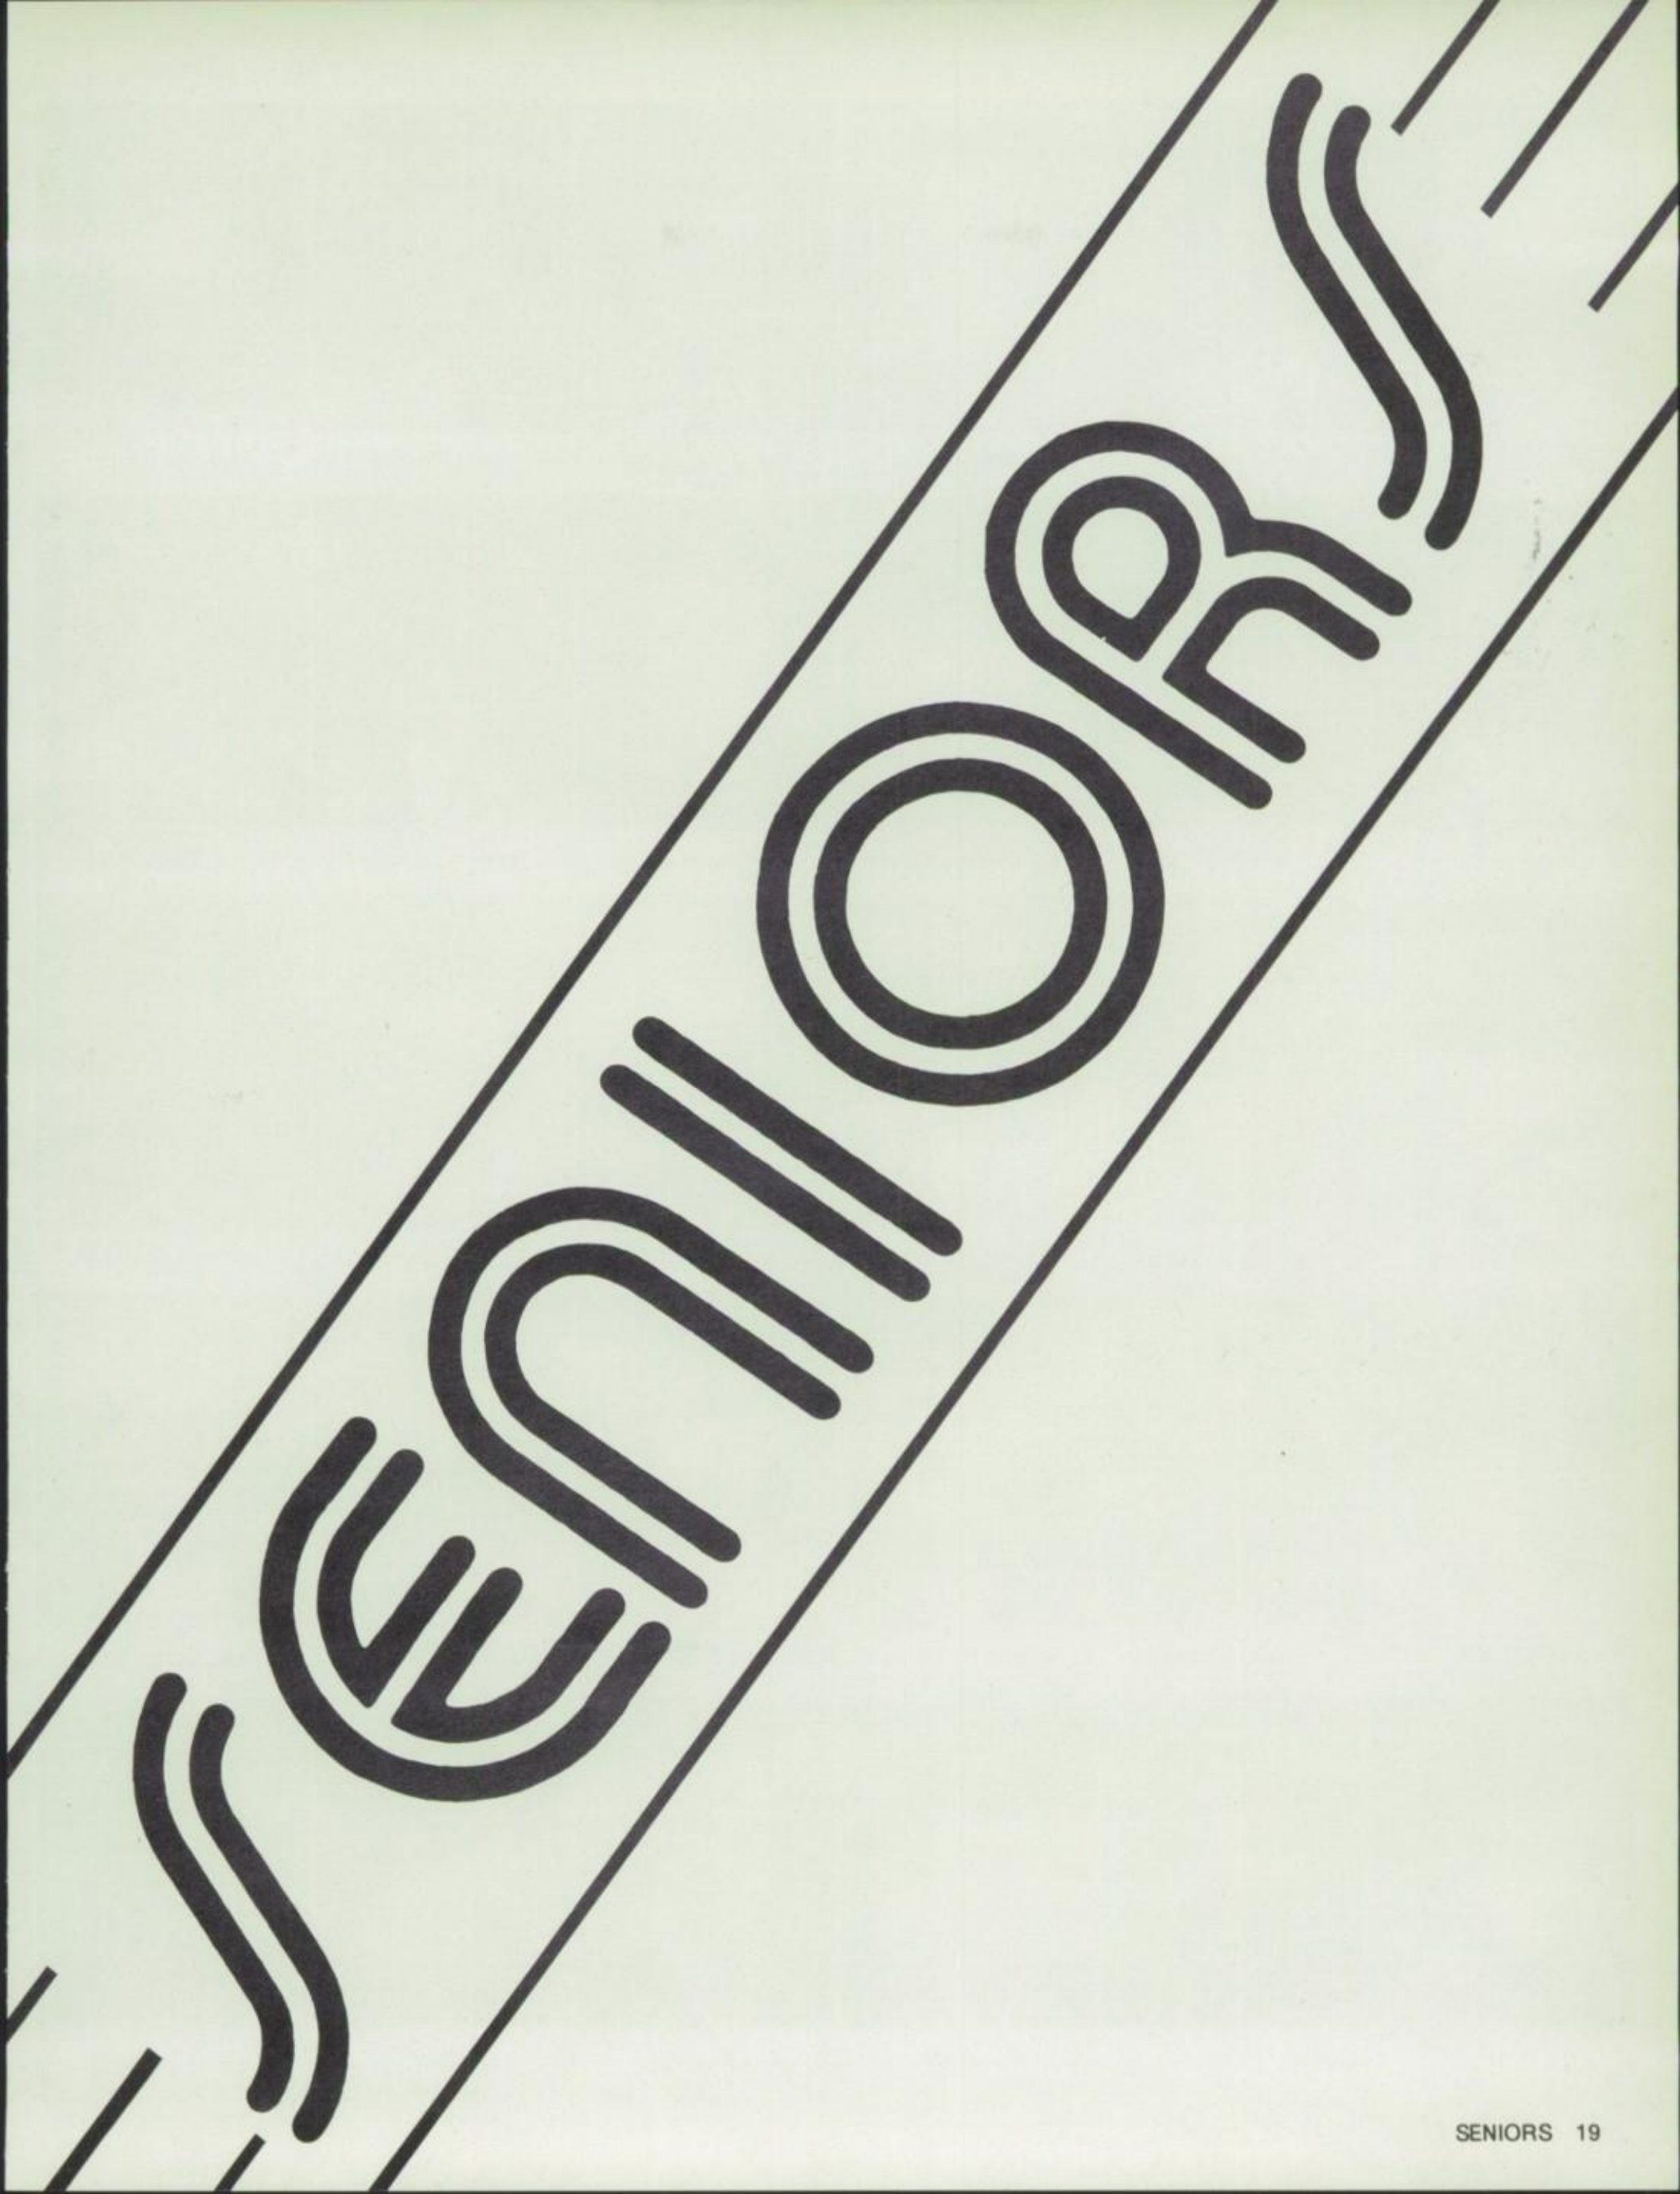

Coach Hamilton has helped many young players build character and strength. Hamilton would be happy even if his teams lost all their games if the athletes truly gave their all in playing.

Words cannot describe the gratitude we have for Coach Hamilton, but it is to you, Coach Hamilton, that we dedicate Campus '81. Thank you for being the warm and compassionate person who has benefited all of us.

The Class of '81. The Class With Class

The Class of 1981 is the class with class. From the slow start as unorganized freshmen to the success of our senior year, we have always shown through with class. Under the leadership of Senior Class president Matt Rogers, our goal of a successful prom was finally reached. The Class of '81 came united to achieve our goal by selling T-shirts, sponsoring the Christmas dance and organizing PHS night at a Holiday on Ice show. Held on May 29 at the Biltmore Hotel, our prom reflected the class of the Class of '81 and memories of this and all of our experiences has prepared us for life beyond PHS.

FALL

Bulldogs Win Respect

For the first time in the past three years and only the second in the last ten, the varsity football team failed to win the Pacific League championship. Although the team didn't win the league title, they posted a 5-4-1 record, losing their four games by a total of 19 points. The team's final ranking for the year was ninth in the Coastal Conference. During the year several players showed themselves to be outstanding players. Among these were Pacific League Defensive Player of the Year Kurt Ward, All-League Linemen Mark Arden and Eric Cox, All-League Back Prentice Mimms and All-League End Tommy Gillespie. Others making important contributions but not taking All-League were Wendell Hood, Dean Crowley and Bill Duncan. The team showed great spirit all year long, even after losing two-way starters Roland Soltesz and Greg McClain due to injuries. Through it all they came out better people and therefore winners.

The junior varsity football team, under the direction of coach Mike Morris, captured the Pacific League championship for the second year in a row. The team played like true champions all year long, losing only two games throughout the season.

Coach Morris stressed individual growth and learning, using the theory that the most important thing is that the players become "good people."

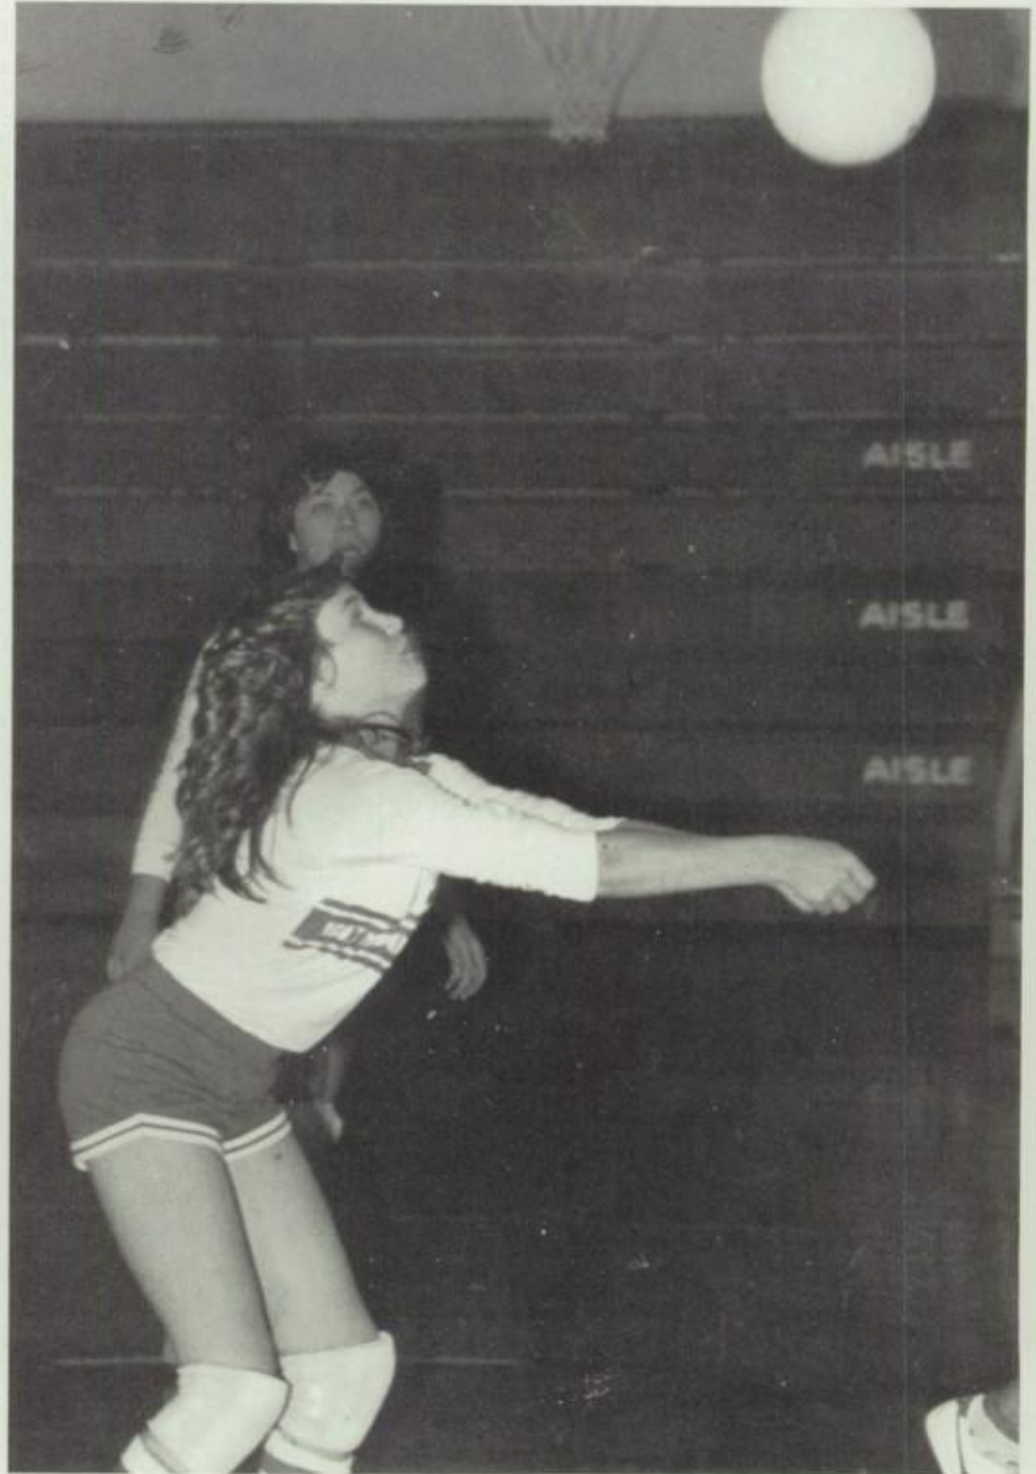

Several outstanding players developed to lead the team. These included Stacy Harvey and Yvonne Simmons.

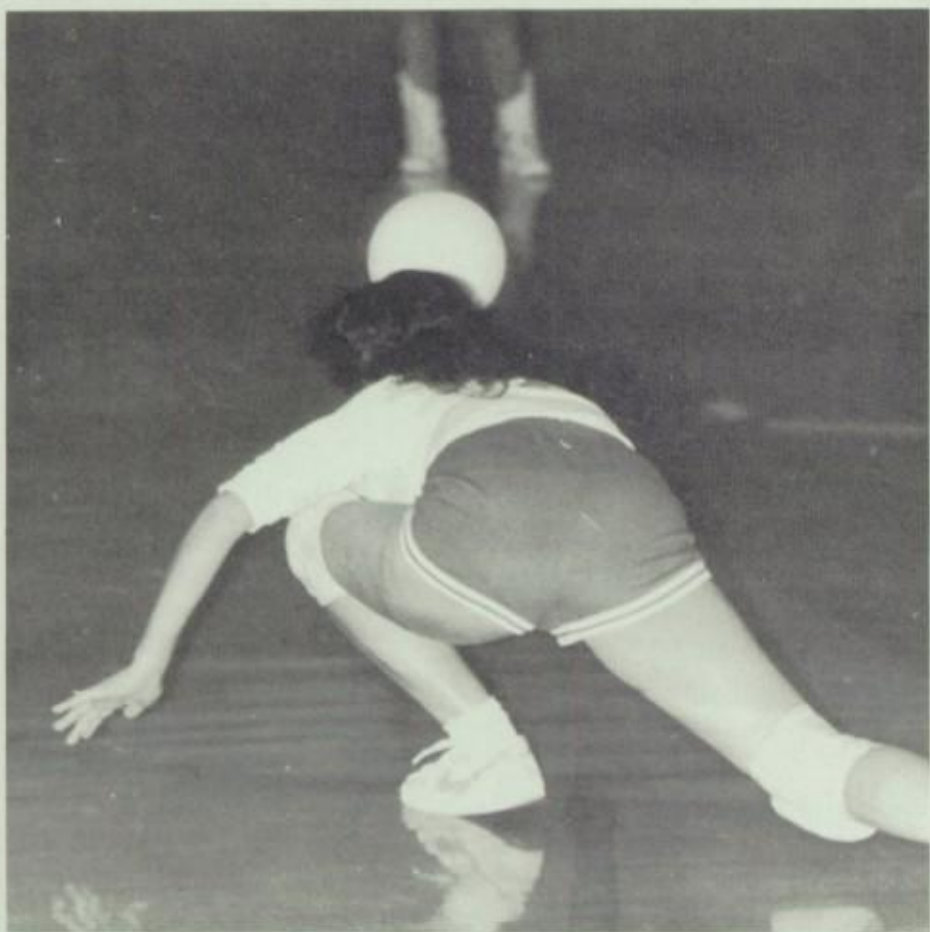

TOP: Stacy Harvey runs on a quarterback keep. BOTTOM LEFT: Michael Cox runs for a 20-yard gain. BOTTOM RIGHT: Milon Pitts brings down the opponent with some help.

Girls' Volleyball Works Towards Unity

The girls' volleyball teams spent their seasons learning that team togetherness wins the game. JV and Varsity realized while playing that unity must be the strongest part of the team. First year varsity coach Carol DeVault and junior varsity coach Irene Kosmetatos stressed the fundamental skills of volleyball to the girls. Practices were held everyday and there were games twice a week.

TOP RIGHT: Heather Morris shows talented concentration and skill as she spikes the ball. TOP LEFT: Kelly Arens places herself in position to return the ball. BOTTOM RIGHT: GIRLS' VARSITY VOLLEYBALL: Maria Rocha, Kelly Arens, Karen Cipponeri, Andrea Akita, Tami Hollinger, Michelle Quickley, Beth Barry, Natalie Esser, Coach Carol DeVault.

Varsity Water Polo Excels

With the entrance of a new coach Pat Lancaster, the varsity water polo team regained the spirit and togetherness of a true team. Out of the nine members, six were returning lettermen, one was a letterwoman, and two were new players. All the players put out strong efforts to win 4 of 9 games. The players that did exceptionally well were Paul Linell, Mark Johnson and Rodger Ames. Johnson was selected as a member of the All Pacific League first team and Ames made the second team.

Underdogs Do Good

Although the soph-frosh football team did not secure the Pacific League Championship, they had a rewarding season, with an overall record of 3-5 and 3-2 in league. Led by coach Joe Braxton, they were a team that seemed to stick together.

TOP: SOPH-FROSH FOOTBALL: **Row 1:** Dominick Divine, Aaron Case, Kenny Fernandez, Lester Crawford. **Row 2:** Ronald Shute, Mark Holloway, James Norwood, Randy Anderson, Cedric Hill, Marvin Darby, Tommy Harris, Franklin Sloan, Darren Meyers, Dikran Titizian, John Kirsling. **Row 3:** Robert Oliver, John Jones, Duane Cotton, Lawrence Milton, James Picinisco, Aaron Corona, Ricky Martinez, John Brooks, Johnny Rogers. **Row 4:** Roger Jones, La Var Jackson, Dereck Burton, Jeff Davis, Rogers De Cuir, Darrell Law, Michael Wallace, Arnold Echols, Chris Evans, Erik Cox. **MIDDLE LEFT:** Soph-Frosh defensive player stops opponent. **MIDDLE RIGHT:** Robert Oliver surges forward for extra yardage. **BOTTOM RIGHT:** Lester Crawford scrambles for a touchdown.

The J.V. waterpolo team, however, did not have as rewarding a season as soph-frosh football. Led by Coach Pat Lancaster, and team cap-tain Greg Duzian, the team played aggressively, but were unable to come up with a win-ning season. With an overall record of 3-7, and 1-4 in league, the team did manage to remain high in spirits.

TOP: Greg Beach passes the ball. MIDDLE LEFT: Bob Simon and Ann Barry prepare for a shot. MIDDLE RIGHT: Erik Petersen rears back for a shot. BOTTOM LEFT: Greg Beach fails to block shot.

Girls' Tennis Swings On

The girls' varsity and junior varsity tennis season was not as successful as they had hoped it would be. Despite their losses, they gained new hopes and strived to do better. With the devoted help of Mr. Munoz, the girls' tennis coach, and also Mrs. Burdick, the tennis teacher, the girls improved immensely. The outstanding players were Cynthia Bennett, Bernadett Villalobos, Vicki Derder, Sharlene Sheffield, Milly Gore, and Stacey Goto. These girls went to the league play-offs and proudly represented PHS.

Red Line Shows Pride

The PHS drill team was still among the top performing groups on campus. Under the new direction of Mollie Bond, and this year's strider Imelda Deypalubos, they performed new types of routines, but they also added new uniforms that gave the drill team a new look. The drill team performed at all home games and participated in the Westminster Field Show competition. Even though this year's group was smaller than those of the past, they still showed that good Ol' PHS PRIDE.

Key Club And Auroras Serve

Key Club and Auroras again proved to be beneficial organizations of service to PHS. Key Club provided PHS with its usual services like selling football programs, working swap meets and helping Unicef. Kiwanis helped make Key Club one of the most active clubs at PHS. One of Key Club's members was named 2nd Lieutenant Governor of Division 10.

Auroras gave their time to better the campus such as repainting the "P" in center quad. Some of their many activities included helping at sports banquets and registrations.

Pep Squad Has Class

The '80-'81 song girls and flag girls managed not only to present tradition routines but they also demonstrated their own creative ability by designing new routines to coordinate with the band's new music.

The song girls and flag girls exhibited lots of spirit, putting in many hours of hard work. Through their hard work and dedication they showed a new togetherness.

Cheerleaders Have Spirit

The 1980-'81 varsity cheerleaders and Bullpups displayed a lot of enthusiasm in order to keep the spirit alive at Pasadena High School. Homecoming

With the tenacity of lions the mighty Pasadena Bulldogs stormed onto the football field to face once more their cross-town rival John Muir. Pasadena, which had defeated the Mustangs for the past two years, again tried to thrash the Mustangs. The battle was like two mighty giants taking swipes at each with each one drawing blood. After the smoke had cleared, the final victor was a weary John Muir by a score of 21-14.

Reigning over the festivities was lovely queen Kimberly McMickens and her court.

Cabinet Strives For Goals

The fall 1980 ASB Cabinet had a very successful semester under the leadership of president Kathy Frankman and the watchful eye of adviser Edmund Sutro.

The 17 student officers took care of much of the inner workings of PHS. These included approving club sales, passing requisitions and dealing with PASS difficulties.

The Cabinet members accomplished many of their individual goals.

California Scholarship Federation

The California Scholarship Federation is the one scholarship club on campus. Admittance is based on grades above the recommended state level. Upon completion of four semesters, with one in the senior year, a person is made a life member of CSF and becomes a sealbearer. This entitles the person to a gold seal on his diploma and a gold cord to be worn at graduation. To remain a member of CSF a person must attend at least one-half of the meetings. Some activities, under adviser Darrell Woods and president Matt Rogers, included tutoring, campus clean-up, and CSF night at Disneyland.

In addition, the band took a second place trophy at the Westminster Field Show. Tall flags placed third. The band also performed twice at the Wrigley Mansion for the announcement and coronation of the 1981 Rose Queen and her court.

The band and tall flags competed at the Savannah Field Show, where the band took a trophy for fifth place, and a third place trophy went to the tall flags.

On Nov. 30 band and tall flags were seen on TV as they marched in the Hollywood Christmas Parade. In December they were in the field show and parade in Palmdale, where the band placed first and tall flags took home second. They closed out their season with a guest appearance at Disneyland on Dec. 22.

Clubs Learn Through Service

Several school organizations were very active on campus this year, one of which was Victory Squad whose members cheered at all the home football games this year. Also playing an active part in school spirit was the UCLA Rooters Club under the direction of club president Edmund Sutro. Another active club this year was the Z-club whose members worked on various service projects which benefitted various needy groups around.

Clubs Encourage Involvement

While the French and German clubs involved students in foreign cultures, the Chess Club encouraged students to develop their minds, both in teams and alone. The French Club visited different French restaurants and raised money for a trip to Disneyland under the leadership of their president, Chris Huck.

Denise Pannell, German Club president, helped organize similar activities, such as eating at German restaurants and raising enough funds for a trip to Magic Mountain.

The Chess Club, a member of the United States Chess Federation, participated in a tournament over a four month period against seven other schools. The group was led by president Darrell Grubs.

Students Learn Through Service

Student League was one of several service clubs at PHS this year. Led by Monica Stokes, the club president, and Perry Littles, the adviser, the group worked hard to make this a successful year.

Student League conducted many activities of importance to the school and the community. Some of these activities included a project for under-privileged children at Christmas, the Slave Day auction, making and putting up posters around school before sports events and the pom-pom and button sales before the Turkey Tussle.

Peer Counseling, a service organization, focused on ways to help others with the problems they meet in life. Rather than just trying to give advice, peer counselors learned first to help themselves and be open to personal growth and then to listen to others in order to help them with their problems.

After finishing their training, peer counselors volunteered for various projects, like their big brother/big sister program at Field Elementary School. Later, in their weekly practicum group sessions, they talked about the projects they worked on as well as personal growth.

Designer Jeans

Are The New Fad

In Dallas people might say that wearing cowboy hats is the new fad. But if you were to come out to California, you would say that designer jeans are the new fad. Even so, the beauty of the jeans is in the eye of the beholder.

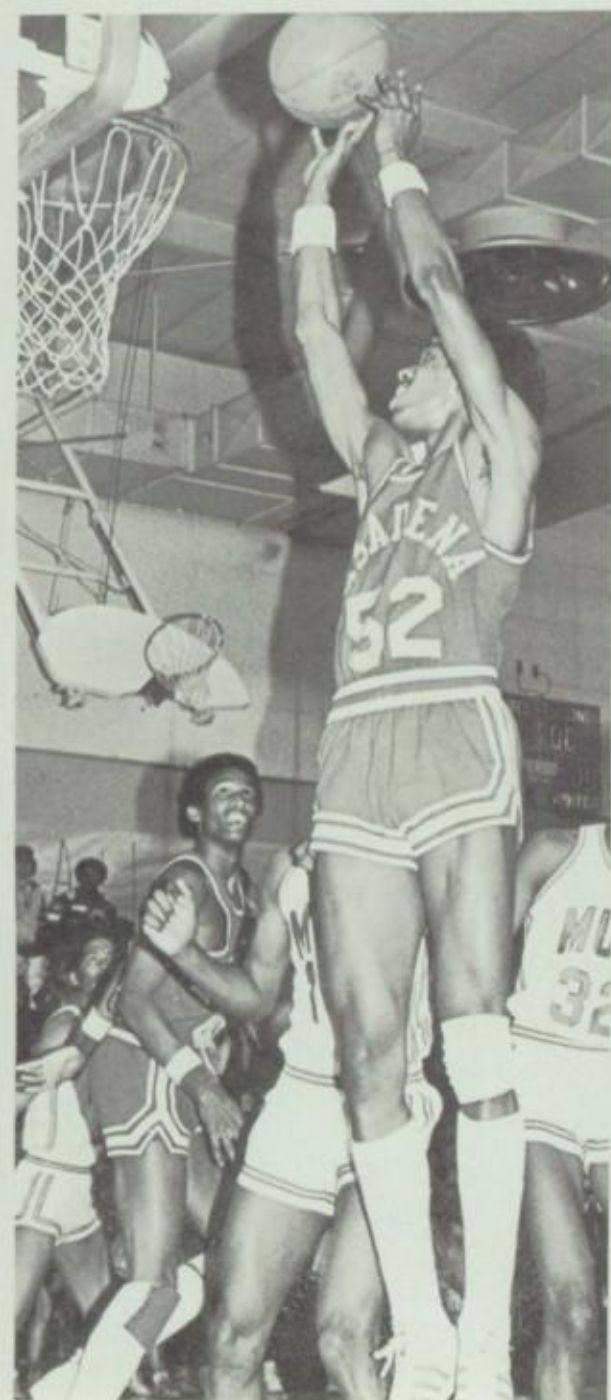

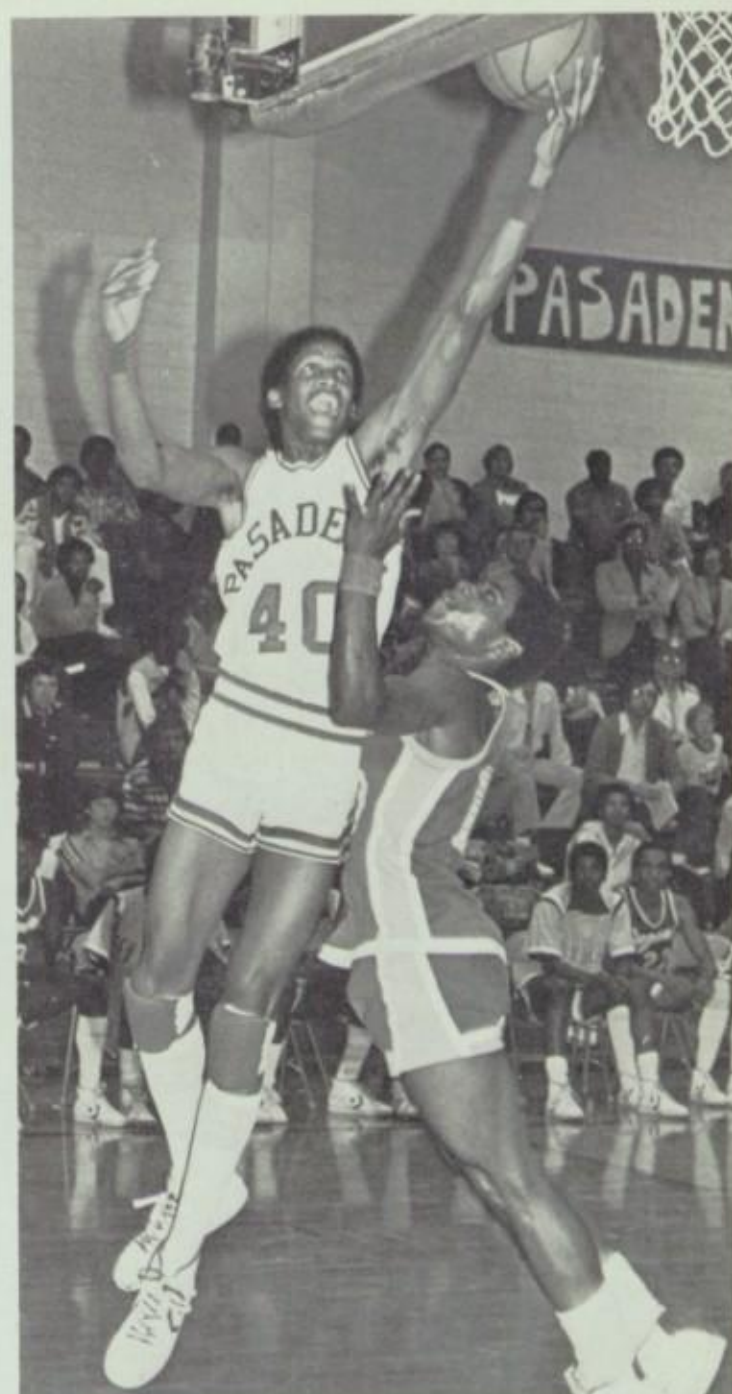

WINTER

'Dogs Do It Again

The varsity basketball team, led by coach Bill Duwe, had a few ups and downs this year, but successfully completed their season by becoming the Pacific League co-champions, a title shared with crosstown rival John Muir. However, the Bulldogs defeated the Mustangs twice, demolishing them by a score of 62-42 in their second meeting. This is the eleventh consecutive season the Bulldogs have won the title. The 'Dogs then advanced to CIF playoffs with hopes of attaining a third CIF 4-A championship. Key players included Mario Williams, Forrest McKenzie, Vincent Wilson, Paul Campbell and Ronnie Payne. Efforts by sophomores Ivan Harris and Kevin Morris were also a key factor in the Bulldog attack.

JV Basketball Thrives

The JV Basketball team had a very good season, highlighted by a win of the Pomona Tournament. They developed a lot of good players, like Larry Elder, a great defensive player and a good shot blocker. The two top sophomores were guards Marcus Burnes and Arlon Moncrief.

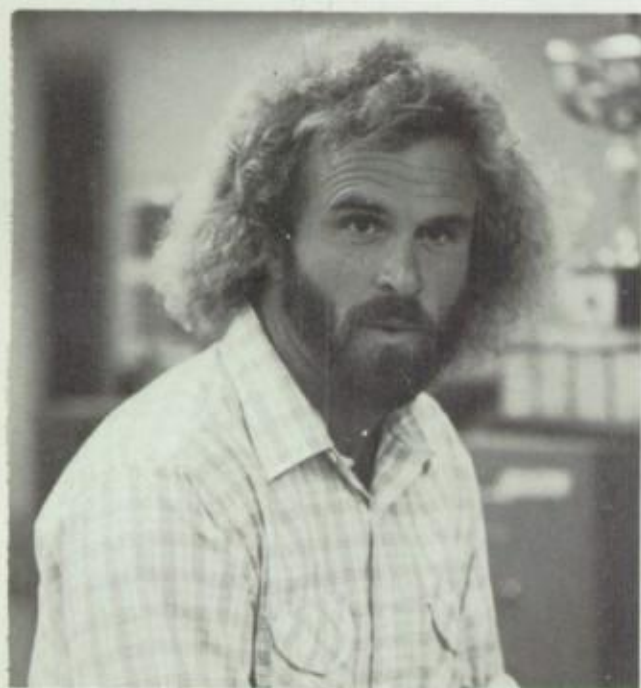

Coach Art Large said that next year's varsity team will be getting a lot of great talent from this year's JV team, who put a lot of work into their games, making the year a success.

Girls' Basketball

Kami Steppes, with an average of over 17 points per game, led the girls' varsity basketball team to a better season than last year. Though varsity had a very successful pre-season, they had a lot of ups and downs in league play. Their big win was at home against Muir, 65-38, Kami Steppes scoring 32 of the 65 points. Other key players were Sharon Perry, Trina Carter and Angie Ward. Only two starters will be graduating leaving a good team for next year. Junior varsity had a disappointing season with only two wins, one of which was against Muir, 28-13, at home.

The boys' varsity soccer team had an interesting year. Coached by Ralph Bush, the defense shut out several teams. A memorable event of the season was when they shut out the then-number-one-ranked team Rolling Hills. Captain Matt Rogers' play was outstanding, according to the coach, and the goalie, Mark Lopez did a fantastic job of stopping the other teams from scoring. Other outstanding players included Arman Sahakian, Jose Adame, Emiliano Valdez, Vincent Robles and Armando Sandoval. Fullbacks Mark Cline, Rick Martinez and Scott Moesta were also responsible for keeping the other teams from scoring.

Soph-Frosh Are on the Ball

The soph-frosh soccer team's main goal was learning to work together. First coached by former student George Taylor and then by Ralph Bush, the young team's perseverance remained high throughout the season. Their skills improved greatly because of their daily practices. Co-captains Chuck Rose and Al Reed strove for strong team defense and anticipated successful seasons in the future for Pasadena. Outstanding players for the team were John Franklin and Pat Theus.

The soph-fresh basketball team, led by sophomore forward Aaron Williams, had another winning season. They took first place in the PHS Sophomore Tournament which was held in pre-season. The key to this team, coached by Donald Guyton, was hard work which led to strong, consistent defense, and the many pure shooters. The outstanding sophomore starters were Pat Allen and top rebounders Vaughn Simmons and Ed Mitchell. Tony Brooks also started although he was a freshman.

J.V. Soccer Nets Them All

The junior varsity soccer team, coached by Dave Lewis, had a very outstanding year. Being led by Erik Petersen on offense and Nestor Robles on defense, they prepared themselves for their following season of varsity play. It was really a learning experience for all of the players. Most strove to meet their individual goals for an excellent year.

Hey, Partners, Match the Cowfolk!

The western craze is sweeping the nation, and amazingly enough has penetrated Pasadena. We managed to photograph a few students who take this fad rather seriously, but do you notice anything peculiar? Right! You have to match the right legs to the body they belong to! Without their horses and Colt 45's (which aren't allowed on campus) it's a little rough, but you can cut them out if you really get stuck, and if you just can't handle it, or have no challenge in you, the answers are on page 112.

NJROTC Shows Their Stuff

Basic naval training and discipline are the key roles taught to new members joining the NJROTC at PHS. Throughout the school year the cadets took orientation cruises on many ships. One was held in San Diego. The mini-navy boot camp offered the opportunity for the cadets to become familiar with how the navy works by giving training and exercises.

Students Express Themselves Through Dramatics

Under the expert guidance of Abel Franco, PHS students learned to express themselves creatively through dramatics. Poise and self-confidence was learned as well as acting techniques as students worked towards a successful year in drama.

One of the things done in this class was improvisations, where students were given a character to act out and told to make up the lines as they went along. This, however, did not mean they neglected plays as they also rehearsed and acted out the beautiful "Pullman Car Hiawatha."

Activities Excite Clubs

The Aurora Service File is a sophomore and freshman girls' club, which serves the school and community. They visited rest homes and hospitals with their warm friendliness and companionship. This club was responsible for brightening up the campus by painting the trash cans. The members could also be found helping the school by serving at various banquets and ushering different performances.

Cinematography club was a new club here at Pasadena High this year. The president was Stephen Blake and Stephen Haims English teacher was the advisor. Asian-Am. and BSU Have The Touch

The Asian-American club is a service organization dedicated to the improvement of the Asian-American communities. Under the leadership and guidance of advisor Nancy Hogg and presidents Darin Wilbert and Imelda Deypalubos, they had a good time showing the togetherness a good club must have. This year they hit the jackpot by selling yogurt push-ups for a real big fundraiser. Many social events were held and special holidays were honored, such as the Asian New Year in February. The club had a picnic in April with all the Asian clubs in the Pasadena School District. With these qualities the club showed that they had class.

Students Learn Through Experience

Work experience is a valuable function at PHS. Students enrolled in work experience earned class credit while gaining the experience that will help in future jobs. According to Don Procter, counselor in charge of the program, in addition to having a steady job, students were required to take tests pertaining to their rights and responsibilities as employees. Also the employer was interviewed and asked to evaluate the student. Work experience was important in establishing good attitudes which will continue to be beneficial after graduation.

ROP offered a wide spectrum of career training, from data processing to tow truck operating. Though students were not paid during the training, many were offered paying jobs by the employer once the student completed the course.

'Chronicle' Staff Skillful

Through stirring news stories, thoughtful editorials, exciting features and excellent sports coverage, with an occasional pontification here and there, the *Chronicle* staff worked skillfully to provide the school with the best publication possible. Although many hours of hard work were spent in the planning, lay-out and writing for each edition, everyone would agree that the rewards we received after publication made everything worthwhile.

I want to thank the staff for their tremendous devotion to the newspaper and for all their time spent battling with deadlines and machine break-downs. The quality of the *Chronicle* was not easily matched by high schools anywhere. To the editorial board, Tracie Adkins, Katie Simon, Mark "Scoop" Johnson, Greg "Flash" McClain, our photographer, Joseph Hopkins, and wonderful Ann Drury, our advisor, I am forever grateful for their endless creativity and devotion. I want to thank them for putting up with the paper and for putting up with me.

I am extremely proud to have been able to work in this position with so many wonderful people. My most sincere thanks and love to all.

Sophomores

The Sophomore class, led by president Lisa Ellis, had many successes this year. They placed second in Spirit Week and raised a lot of money through fund raisers which included magazine and Halloween message sales. They also contributed to the community by raising money for abused children. Dennis Hanson and Nancy Hogg were their advisers.

Juniors

The juniors demonstrated much spirit throughout the year. Led by Felice Sencer, the class matured and became united. The winning of spirit week showed the pride and strength of the 1982 class. They held a pom pom sale as one of their many fund raisers for their prom. The Prom Committee met regularly and worked well together. The class was full of anticipation for their senior year and planned many activities.

Faculty Reveals 'A Touch Of Class'

The PHS yearbook staff discovered some very interesting personal feelings and personalities of the faculty by asking their opinions on what they thought was a touch of class at PHS. Their

responses varied from great events of the past and presents to the students, themselves. One thing the replies had in common was that they all showed a genuine pride in PHS. Following then, is the faculty's "Touch of Class."

"Since I just began at PHS, I
guess 'the classiest thing that
ever happened to me' is still in
my future, — something to
look forward to. Just being
here on a full-time basis is
pretty classy though."

"A Touch of Class' is the way
the students, faculty and
administration rallied behind
the cadets to salvage the
NJROTC program at PHS.
This was possible because of
the team work and sincere
dedication of a few individu-
als."

Irene Kosmetatos

"To me a 'Touch of Class' is
the unity of students to pro-
duce a pride in excellence
whatever their endeavor may
be. In the years that I have
been at PHS that excellence
has slowly been dwindling.
Our student unity has been an
individualized, self, me and I
picture."

An abstract graphic design featuring a light cream background. Several thick, dark diagonal lines run from the bottom-left towards the top-right. In the center, the letters 'AQS' are rendered in a bold, stylized, outlined font. To the right of the 'S', there are two short, curved, parallel lines that resemble a stylized '3' or a decorative flourish.

A Yearbook Is Made Through Devotion

What makes a yearbook? Is it the sports' section? Or maybe is it the faculty section? How about the candid pages? Maybe even the clubs. No, it's none of these. It is you, the student at Pasadena High, that makes the yearbook, and in that respect I hope that each one of you is portrayed in some way or another. I would like to thank the staff for all the hard work and devotion because without their tireless servitude this book would not have been possible. Also, I owe a great indebtedness to Ann Drury for the four years of teaching and help that she has given me.

Sincerely,
